the majority of american women supported the allied cause during world war ii and made sacrifices on the home front to benefit the war effort but u s intervention was opposed by a movement led by ultraright women whose professed desire to keep their sons out of combat was mixed with militant christianity anticommunism and anti semitism this book is the first history of the self styled mothers movement so called because among its component groups were the national legion of mothers of america the mothers of sons forum and the national blue star mothers jeansonne examines the motivations of these women the political and social impact of their movement and their collaborations with men of the far right and also with mainstream isolationists such as charles lindbergh drawing on files kept by the fbi and other confidential documents this book sheds light on the history of the war era and on women s place within the far right

the civil rights movement is a milestone in american history that can help us think more clearly about today s movement for social and political change which can sometimes be influenced or misguided by the media we all must seize the opportunity to shape our own post civil rights era and redefine what civil rights means to us today and in the future inspiring african american women of the civil rights movement 18th 19th and 20th centuries is just one glimpse into the lives of twenty very brave and courageous african american women who fought to protect the civil rights of african americans and ultimately changed the course of history as you read this book i will give a more in depth understanding about the true meaning of the freedom and equality in america provide an awareness of the struggles of the civil rights movement to the racial injustices of the jim crow laws bring attention to important relationships that developed along the way of each womans journey based on the civil rights cause depict a timeline of events of each crusaders journey above all highlight the incredible accomplishments of african american women who have contributed to our nations greatness even in the face of certain danger and personal tragedy in the name of freedom and equality be inspired by the civil rights movement and embrace all that african american history has to offer because it truly is an important part of american history the civil rights movement challenged racism in america and because of civil rights crusaders like rosa parks and harriet tubman the country is a more just and humane society for us all

according to susan deller ross many human rights advocates still do not see women s rights as human rights yet women in many countries suffer from laws practices customs and cultural and religious norms that consign them to a deeply inferior status advocates might conceive of human rights as involving torture extrajudicial killings or cruel and degrading treatment all clearly in violation of international human rights and think those issues irrelevant to women yet is female genital mutilation practiced on millions of young girls and even infants not a gross violation of human rights when a family decides to murder a daughter in the name of honor is that not an extrajudicial killing when a husband rapes or savagely beats his wife knowing the legal authorities will take no action on her behalf is that not cruel and degrading treatment women s human rights is the first human rights casebook to focus specifically on women s human rights rich with interdisciplinary material the book advances the study of the deprivation and violence women suffer due to discriminatory laws religions and customs that deny them their most fundamental freedoms it also provides present and future lawyers the legal tools for change demonstrating how human rights treaties can be used to obtain new laws and court decisions that protect women against discrimination with respect to employment land ownership inheritance subordination in marriage domestic violence female genital mutilation polygamy child marriage and the denial of reproductive rights ross examines international and regional human rights treaties in depth including treaty language and the jurisprudence and general interpretive guidelines developed by human rights bodies by studying how international human rights law has been and can

be implemented at the domestic level through local courts and legislatures readers will understand how to call upon these newly articulated human rights to help bring about legislation court decisions and executive action that protect women from human rights violations

in the united states and around the world women have been working to expand their rights for decades this informative anthology provides an overview of the history of the women s rights movement as well as an examination of the many issues being addressed by feminists today

this book contains information about aboriginal culture and ceremonies language words and descriptions that may be considered offensive or distressing these words reflect the attitude of the period in which the item was written and or that of its author
